NOTES:

- CYAN AND MAGENTA HOLES ARE PRESENT ONLY ON U.K. AMPS.
- CYAN AND GREEN HOLES ARE PRESENT ONLY ON U.S.A. AMPS.
- BLUE HOLES ARE ONLY PRESENT ON A HANDFULL OF AMPS.

IN GENERAL THE 100 WATT CHASSIS OF THIS ERA IS SOMEWHAT CUSTOM MADE SINCE YOU RARELY FIND TWO THAT ARE IDENTICAL. THE MAIN DEVIATIONS LAY WITHIN THE FILTER CAPACITOR BOARD LOCATION AND A COUPLE OF OTHER AREAS.

A SPECIAL THANKS GOES OUT TO Knut (MasterKeeper) FOR ALL HIS HELP.
