

I Saw Her Standing There The Beatles

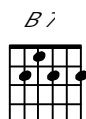

One, two, three, four!

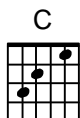

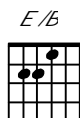

Well, she was just seventeen,

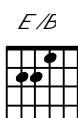

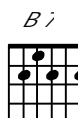

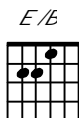

You know what I mean,

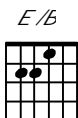

And the way she looked was way beyond compare.

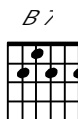

So how could I dance with another (ooh)

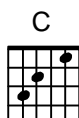

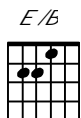

When I saw her standin' there.

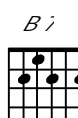

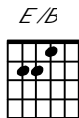

Well she looked at me, and I, I could see

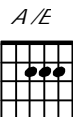

That before too long I'd fall in love with her.

She wouldn't dance with another (whooh)

When I saw her standin' there.

Well, my heart went "boom,"

When I crossed that room,

Well, we danced through the night,

And we held each other tight,

And before too long I fell in love with her.
